GUARANTEE

Dear Friend:

Many companies put a fancy border around their so called "guarantees," which if you read them carefully, don't really guarantee much at all.

I thought you'd like to know exactly the kind of guarantee we offer:

You must be completely satisfied with your merchandise or you may mail it back to us anytime within 30 days. The carton it will come in will make that quite easy to do. And you will get a *complete* refund. (We'll even pay you back for the postage involved.)

That's it. No explanations. No lost receipts to worry about. And the only one who decides whether or not you're satisfied is *you!*

I hope you'll take advantage of this special offer. But whether or not you do, I wanted you to know that this is the way we do business. Carol Wright
